WVC Clean & Beautiful **Plant a Salsa Garden**

There's nothing better than reaping what you sow this time of year, especially when it comes to fresh vegetables. This is why in the Spring I plant a "salsa garden" which includes the following: four tomato plants, four bell pepper plants, two anaheim peppers, green onions, and two jalapeno plants. Garlic and cilantro would also be good to addition to the garden.

Fresh Salsa Recipe

- 8 Tomatoes cut to desired chunkiness
- 3 Bell Peppers
- 2 Anaheim
- Jalapenos (removed seeds for less heat)
- 6 Green Onions
- Garlic & Cilantro to desired taste
- Salt to taste
