Winter Parking

Snow season is here! West Valley City Public Works employees work hard to keep our streets clear of snow and ice, and with a little help from our residents, we can make winter driving safer for everyone.

Please remember, that when it is snowing or when snow is forecasted, vehicles, boats, trailers or any other personal property must not be parked on the street. This makes it difficult and dangerous for our plow operators, and may lead to a citation.

Christmas Tree Disposal

From December 28, 2015, through January 16, 2016, dumpsters will be placed at City Park (4500 West 3500 South) and at West View Park (6100 West 4100 South). Residents may bring trees (no lights, stands, nails, screws, bags or decorations) to place in the dumpsters. No artificial trees will be accepted and no other trash is allowed in the dumpsters.

Trees will be recycled and used as mulch throughout the city.

Residents may also use the City's Bulky Waste service to dispose of trees. For information on how to prepare bulky waste, along with pickup dates, visit www.wvc-ut.gov/sanitation.

You Can Prevent Stormwater Pollution!

During the winter months, a clear, warm day tempts many of us to wash our cars. Help prevent storm water pollution by taking your car to a commercial car wash. The dirty water from the carwash is recycled, preventing the contaminants from entering the storm water system. If you do choose to wash your car at home, wash it on a lawn or gravel driveway - the soil will filter out most pollutants.

For more information on how to prevent storm water pollution in West Valley City, visit www.stormwatercoalition.org. To report illegal dumping call 801-509-2005.

Holiday Garbage Collection

There are only three holidays that Waste Management does not pick up garbage: Thanksgiving, Christmas and New Years Day. If your garbage day falls on one of these holidays or after the holiday during the same week, your garbage will be picked up a day later. If in doubt, put it out!
