West Valley City Hall
3600 S. Constitution Blvd.
WVC, UT 84119

City Hall Hours:

Monday – Thursday
7 a.m. – 6 p.m.

Mountain View Corridor Construction Continues

Construction is moving forward on Mountain View Corridor from 5400 South to 4100 South in West Valley City. Major construction will start early spring 2016 on the 2-mile segment.

This segment of construction will be building the outside lanes of Mountain View Corridor from 5400 South to 4100 South in the initial construction phase, connecting to the already open section of Mountain View Corridor. In addition, the intersection of 4100 South and 5600 West will be reconstructed as part

of this segment of construction. The planned finish date for construction of this segment is the fall of 2017.

For additional information regarding the construction of the Mountain View Corridor from 5400 South to 4100 South, please contact the construction information team at mountainview@utah.gov or 1-800-596-2556, or visit www.udot.utah.gov/mountainview.

Follow Mountain View Corridor on Facebook for up-to-the-minute construction alerts and project information: <https://www.facebook.com/MountainViewCorridor>.

PROJECT TIMELINE: 5400 SOUTH TO 4100 SOUTH

Thinking about Spring? So are we.

We're in the midst of winter, but despite the cold and snow, it's time to start thinking about spring cleaning.

In addition to curbside garbage, recycling, and bulky waste, West Valley City provides neighborhood dumpsters

for organized neighborhood cleanups.

Beginning February 1, residents, volunteer groups and neighborhood associations may schedule ten dumpsters for delivery; the resident or group reserving the dumpsters is required to advertise the cleanup project.

For more information about reserving a neighborhood dumpster, call 801-963-3334 or visit wvc-ut.gov/dumpsters.

You Can Prevent Stormwater Pollution!

Household hazardous wastes and fluids from your vehicle such as oil and antifreeze are harmful to the environment and should not be dumped down storm drains. One pint of oil can produce a one-acre slick on a water surface and can contaminate 250,000 gallons of water. For a list of approved disposal sites and proper disposal practices visit www.stormwatercoalition.org. To report illegal dumping call 801-509-2005.

2016 Boy Scout FREE Merit Badge Classes

First Aid February 4	Emergency Preparedness March 17 & 29 (2-session class)
