Utah Code Section 10-1-203(7)(b) provides an exemption from business license fees for home based businesses that do not have a material off-site impact. If you believe you qualify for this exemption, please include with this renewal form, on a separate piece of paper a written explanation.

## Business Licensing Steps

The State of Utah has developed a "One-Stop Online Business Registration" website that streamlines the process of registering a new business. The site is available 24 hours a day. It will guide you through a series of questions designed to comply with federal and state (and eventually even local) government registration requirements. There is no extra cost involved with the online registration; only the customary fees charged by the agency itself. The website address is: [www.business.utah.gov/registration](http://www.business.utah.gov/registration) . It is easy and a lot less cumbersome than physically visiting each agency in person.

**If your business entity will be: temporary (less than 90 days);** involved in the sale of alcohol; door-to-door or street to street (i.e., ice cream vendor) solicitation; or a sexually-oriented business, you will need to contact the Business License Division directly to obtain the information specific for your business license.

**Please note: Before you decide on your business location, it is advisable to contact the Planning/Zoning Department to determine whether your business activity is allowable at that address.**

### 1. Registration of a Business Name

All entities doing business in Utah under an assumed business name must register with the State of Utah, Department of Commerce. If you are using your own name as your business name it will not need to be registered. However, if you use any other name, or even your abbreviated name, you are required to register the name. This is called a fictitious name registration or D.B.A "Doing Business As" registration. For example, if your name is: Randy M. Jones and you name your business Randy Jones, you will not have to register it, but if you call it RMJ Enterprises, you will have to register the name. Corporations register their name when they file their Articles of Incorporation.

The above mentioned website will assist you in registering your name. You will be able to complete a preliminary search to see if the name is available and then take steps to register it. The Department of Commerce charges a \$22.00 fee to register a DBA.

**Note:** If you do not want to use the on-line registration, you can go to the Department of Commerce in person. Using the method of fax or by mail will delay the processing of your license considerably. This delay is due to the fact that our license department needs proof that you have registered the name and that can only be done once the Department of Commerce provides the business owner with a receipt of the registration.

There are **two locations where you can register your business name:**

- Heber M. Wells Bldg, 160 East 300 South, 1st Floor, Salt Lake City, UT (Telephone: 801-530-4849)
- State Tax Commission, 210 North 1950 West, Salt Lake City, UT (Telephone: 801-297-2200)

### 2. Obtain a State Sales Tax Number

Most businesses are required to collect and remit sales tax for the products (and some services) they provide to consumers. If you use the abovementioned website, you will obtain a sales tax number during this process. If you choose not to use the website, you can go to the two addresses listed above (where you can register for the business name) and also obtain the sales tax number. Please note that sales tax is coded to the city in which your business is located. It is expected that for every sales tax number related to West Valley City, there should be a corresponding business license issued by our City. To obtain a Temporary Sales Tax # call 801-297-6303.

### 3. Obtain "Employer" Related Tax Numbers

If you will have employees, you are required to register with the following agencies. Please note that this information is also outlined at the State website given above.

- **Internal Revenue Service** - You will need to get an **Employer Identification Number (EIN)** in order to remit the Federal Tax Withholding and make FUTA (Federal Unemployment Tax) payments for your employees. Call 1-800-829-4933 or go to [www.irs.gov](http://www.irs.gov)
- **State Tax Commission** - You will need to get a **State Withholding Number** in order to remit the State Tax you withhold from payroll, and it is located at 210 North 1950 West, Salt Lake City, UT (Telephone: 801-297-2200).
- **State Unemployment Insurance** - State unemployment insurance is required for companies with employees. For further information contact the [Utah Department of Workforce Services \(Job Service\)](#).
- **Worker's Compensation Insurance** is required of all employers. This insurance may be obtained from private companies or the State Insurance Fund. Contact the [Worker's Compensation Fund of Utah](#), 392 East 6400 South, Salt Lake City, UT. (Telephone: 801-288-8000).

#### **If you need to contact other State Agencies:**

- A. B. C.** (Alcohol Beverage Control) at 1625 S 900 W, S.L.C. 801-977-6800 thru 10, Fax # 801-977-6889
- Agricultural Department** 350 N Redwood Rd, S.L.C. 801-538-7124, Fax # 801-538-4949
- Health Department** 788 E Wood Oak Lane (5380 S) 385-468-3845 Fax 385-468-3846 Food, or 385-468-3835

- Child Care Licensing** 3760 S Highland Dr #203 S.L.C. 801-273-6617

## SIGN ORDINANCE & DUMPSTER ENCLOSURE REQUIREMENTS

Business License Applicant:

Thank you for choosing West Valley City as the location for your business. To keep West Valley attractive and well maintained, the City has adopted several ordinances that set standards for property maintenance, signage, and dumpster enclosures. These standards are summarized below. For a more complete list, please refer to the attachment.

All garbage dumpsters are required to be enclosed a six-foot tall, solid masonry fence with attached solid barrier access gates. Where an enclosure was not originally required on a developed lot, an enclosure shall be installed upon the issuance of a new business license on the developed lot. Any dumpsters that are in violation of City Code must be brought into compliance or be removed. If the property has an existing unenclosed dumpster, the dumpster must be enclosed within **90 days** from the date the business license is issued.

All West Valley City businesses with signage are required to have their signs properly permitted through the City. For questions related to types and sizes of signage allowed, please refer to the attached document.

To obtain and maintain a business license with the City, the property and structures must be properly maintained. This includes, but is not limited to meeting landscaping requirements, keeping the parking lot striped and free of pot holes, maintaining the building exterior, and keeping the property clear of waste and graffiti.

Thank you again for your compliance and support. If you have any questions or concerns, please contact Planning and Zoning at 801-963-3312. I look forward to working alongside you to continue to make West Valley City a great community for all.

Best regards,

Kevin Cisney  
West Valley City Planner I

## Sign Ordinances

Listed below are several sections from the sign code (Title 11) that are applicable to business signage:

### -Definitions (11-1-104)

- *“Sign, temporary” means any sign, banner, pennant, valance, feather, flag, streamer, balloon, window sign, inflatable or advertising display constructed of vinyl, plastic, cloth, canvas, light fabric, or other light materials, with or without light frames, intended to be displayed outside or in windows for a short period of time.*
- *“Sign, banner” means a temporary sign without a frame that is made of vinyl, plastic, cloth, canvas, light fabric or other light, nonrigid material.*
- *“Sign, permanent” means a sign attached to a building, structure, or the ground in a manner that requires a permit from the Building Inspection Division and which is made of durable materials intended for long-term use.*
- *“Sign, wall” means a **permanent** sign erected parallel to and attached to the outside wall of a building and extending not more than 24 inches from such wall with messages or copy on the face side only.*

### -Conformity of Signs (11-2-101)

- *Except as provided in this Title, no sign shall be erected, raised, moved, placed, reconstructed, extended, enlarged, or altered, except in conformity with the regulations herein specified for the zoning district in which it is located.*

### -Issuance of Permits (11-2-104)

- *It shall be unlawful for any person, whether acting as owner, occupant or contractor, or otherwise, to erect, construct, reconstruct, enlarge, locate or alter any sign within the City contrary to any provisions of this Title, and/or where required, without first obtaining approval for a sign permit from the City*

### -Repair of Building Façade (11-4-106)

- *A building façade that is damaged or discolored as a result from the removal, repair, replacement or installation of any signs shall be repaired by the property owner within 30 calendar days from the date of said removal, repair, replacement, or installation.*

### -Prohibited Signs (11-4-110) - The following signs are expressly prohibited by this Title:

- (1) *Any mobile sign;*
- (2) *Signs containing or utilizing animation, excluding electronic message sign animation, as defined in Section 11-1-104(13);*
- (3) *A-frame signs except if located in and as regulated in the City Center zone;*
- (4) *Off-premises temporary signs except new development signs;*
- (5) *Feathers and flags used as temporary signs;*
- (6) *Streamers or pennant-type streamers; and*
- (7) *Any temporary sign attached to any other sign, fence, light/power pole, or structure not built and intended for support of such sign.*

### -Temporary On-Premises Signs (11-5-103)

- *Establishments shall be permitted one temporary sign. (11-5-103)*
- *Banner Sign. Used to advertise an establishment and does not act as the primary establishment sign. Banners shall not be placed within 20 feet of the front property line and*

*should be located on the outside building face. Banners shall not be located on fences. The maximum size shall be 50 square feet of temporary sign area. Tenant spaces larger than 150 linear feet may use a maximum of 10 percent of the front building façade. Banner signs may be used for a maximum of 60 days in a calendar year. (11-5-103)(2)*

*-Banner Sign. Used to promote an establishment name as the primary establishment wall sign. Where a new establishment is in need of temporary signage, a banner sign may be placed on the building and shall act as the primary establishment sign. Shall be located on the front elevation of the place of establishment. This temporary sign shall be limited to the wall sign sizes as permitted in the applicable zone. This sign may be used for a maximum of 90 days after the establishment has obtained a business license, or until a permanent sign is mounted on the building, whichever is less. Where a business license is not required, this sign may be used for a maximum of 90 days from the date of issuance of a certificate of occupancy, or until a permanent sign is mounted on the building, whichever is less. (11-5-103)(3)*

*-Window Signs - A maximum of 50 percent coverage of all windows shall be permitted for window signs. The 50 percent coverage shall be calculated per façade, meaning windows on one façade shall not be included in another façade. (11-5-103)(13)*

Please refer to the following code sections for more information on specific sign types and situations:

- Miscellaneous Signs (11-5-102),
- Monuments signs (11-5-104),
- Roof Signs (11-5-105),
- Pole Signs (11-5-107),
- Wall Signs (11-5-109),
- Sign Alterations (11-6-101),
- Sign Restoration (11-6-102),
- Sign Maintenance (11-2-103) & (11-6-103),
- Sign Abandonment (11-6-104).

### **Dumpster Enclosure Ordinances**

The following section states City Code as it relates to dumpster enclosures:

#### **- Refuse Storage Containers Siting Standards (7-2-118)(4)**

*All outdoor refuse collection containers shall be enclosed by a six-foot solid masonry Fence with Attached solid barrier access gates. A maximum of a three-foot opening may be provided on the side or rear of an enclosure for pedestrian access to the refuse collection container. Enclosures shall not be constructed of unpainted concrete block or similar material. Where an enclosure was not originally required on a developed Lot, an enclosure shall be installed upon the issuance of a new business license on the developed Lot.*

**IMPORTANT NOTICE**

**WEST VALLEY CITY  
BUSINESS LICENSE DEPARTMENT**

Please be aware that you are NOT authorized to operate your business until you have received your business license from the Business License Department.

State and local statutes require that several agencies inspect your establishment concerning health and safety issues. The inspectors are authorized to inspect for their department/division only; approval of any one inspector does not constitute approval of your business license.

Your license will be issued to you by the Business License Department only upon completion and compliance with the entire process.

Should you choose to operate your business prior to the issuance of a West Valley City Business License, you will be operating in direct violation of the Business License Ordinance and subject to DOUBLE LICENSE FEES, back fees and/or any other civil or criminal penalties as prescribed by law.

If you have any questions or need assistance, please call 963-3290, or come to the West Valley City Business License Department, West Valley City Center, 3600 South Constitution Blvd. (2700 West), West Valley City, UT 84119.

## **Congratulations on opening your business in West Valley City!**

As we are sure you are aware, and in accordance with City Code 24-7, you are accountable for cleaning and maintaining your property. Cleaning your property not only helps to keep our city clean, however, some cleaning methods can also be hazardous to the environment. Special precautions must be taken to protect our Storm Water Runoff and Drainage System.

Storm Water runoff (i.e. rain and snow melt) carry pollutants, metals, toxins, oils and grease, litter leaves, grass clippings, fertilizers and pesticides to the nearby storm drain (not the sanitary sewer system). The Storm Water is not treated before it reenters the Jordan River, Decker Lake or the Great Salt Lake; therefore, it is imperative that pollution prevention methods are established in your place of business.

An example of preventing these pollutants from flowing to the storm drain is to clean the parking lot by sweeping to clean it rather than hosing it down. Policing your property for garbage and disposing of it properly. Dump waste water at the proper disposal site.

Additionally, you should be cognizant of City Code 18-9-104 and 105 which prohibits obstruction, contributing to obstruction, and dumping into storm drains. Pollutants entering the storm drain system present several risks, including health, welfare and safety to the public and the environment. Therefore, it is illegal for anyone to intentionally or unintentionally dump debris, petroleum, chemicals, detergents, paints, pesticides, herbicides, metals, acid or base product, solids or liquid waste products, hazardous waste products, and/or human or animal waste into the storm drain. Violations, citations, penalties and fines may be the consequence to these actions.

**Nothing is ever to enter the storm drain system except for rain water and snow melt.**

Businesses must take special precautions to protect Storm Water runoff
