Stranger Danger TIPS

- Don't talk to strangers.
- Don't take anything from strangers.
- Don't go anywhere with someone you don't know.
- Stay more than an arm's reach from strangers. If you are approached by a stranger, seek help immediately.
- Trust your feelings, if you think you are being followed or something is not right, seek help immediately.
- Use the buddy system, avoid walking anywhere alone.
- Practice telephone numbers and home safety practices with a parent.
- If a stranger grabs you, do everything you can to stop him or her from pulling you away. Drop to the ground, kick, hit, bite, and scream. Do whatever it takes to attract the attention of others who can help you. If someone is dragging you away, scream, "this is not my dad," or "this is not my mom."
- **When seeking help, always go to a trusted adult – teacher, coach, police officer, other parent, or older siblings.**

Report any suspicious activity to your school and the police department.

**If you SEE something,
then SAY something!**
