City Parks

Twenty-six parks around the city provide play, social, gathering, exercise and contemplative space. Each park offers a variety of amenities including:

- green space
- trails
- play equipment
- play fields
- pavilion space

Some parks may be reserved; parks that are not reserved are available on a first come first available basis. A complete list of amenities for each park is available online.

The West Valley City Parks and Recreation Department oversees the operation of the City Parks, two golf courses, the Family Fitness Center and the Harman Senior Recreation Center. A wide variety of recreational programming is offered at each facility, with programs targeted to all age groups.

In addition to the city owned and operated parks, Salt Lake County also operates 5 additional parks and facilities within the city. For more information about these county facilities, please contact the county directly at (385) 468-7275 or visit www.parks.slco.org
