West Valley City, Utah
(801) 963-3300

Don't Tempt Thieves, Don't Be a Victim

Vehicle burglaries occur daily throughout the community in neighborhoods, shopping centers and even church parking lots. They are often crimes of opportunity involving items left in plain view. If you must leave valuables in your vehicle, secure them in the trunk or put them out of sight. To prevent identity theft, do not keep personal documents in your vehicle, including checks, credit cards, social security cards or driver's licenses.

**In case of an
emergency call
911**

**To report any
non-emergency criminal
activity call
(801) 840-4000**
