TO THE CITIZENS
OF WEST VALLEY CITY

We are proud to present the West Valley City's Popular Annual Financial Report (PAFR) for the fiscal year ended June 30, 2023. This report gives readers a summary of the City's financial activities. The purpose of the PAFR is to report the City's financial information in a clear, concise manner giving all readers, both financial and non-financial, an understanding of where the revenue comes from and where dollars are being spent. Most importantly, it is essential that our citizens understand the key services that the City provides to make West Valley City a safer and more enjoyable place in which to work, live, and play.

The PAFR summarizes the financial activities of the City for our fiscal year which runs from July 1 to June 30. It is drawn from a more detailed report called the Annual Comprehensive Financial Report (ACFR). The ACFR includes financial statements that are prepared in accordance with Generally Accepted Accounting Principles (GAAP) and audited by Keddington & Christensen, P.C., an independent auditing firm. The 2023 ACFR has received an unmodified (clean) opinion. The numbers contained within the ACFR were acquired by applying the basis of accounting principles as prescribed by the Governmental Accounting Standards Board (GASB).

Although the numbers used in the PAFR come from an audited source, we have presented them in a condensed, easy to understand, non-GAAP format. GAAP reports deal with the presentation of segregated funds as well as full disclosure of all material financial and non-financial events in notes to the financial statements, while non-GAAP reports do not contain such notes. Citizens who wish to review audited GAAP basis financial statements can refer to the West Valley City's ACFR, which is available from the Finance Department or on the City's website at wvc-ut.gov.

As a municipality, we want to continue to promote awareness, accountability, and transparency of the City's financial information. We anticipate that after reading the PAFR, community members will be reassured that public dollars are being used to build a better, safer, and stronger West Valley City. With the help of all departments, the City, in 2023 has accomplished many goals. All these positive achievements have helped to increase growth and success in our City. We look forward to the future and growth of the City.

We are honored to serve the citizens of West Valley City and hope you enjoy reviewing the 2023 PAFR. We welcome any input, questions, and comments you may have regarding this report. You may contact the Finance Department at 801-963-3238.

WEST VALLEY CITY
DEBT SUMMARY

General Obligation Bonds: A General Obligation bond is a municipal bond backed by the credit and taxing power of the city, rather than revenue from a specific project. No assets are pledged as collateral for General Obligation bonds. West Valley City does not use General Obligation bonds as a source of funding.

Revenue Bonds (Lease Revenue, Sales Tax Revenue, Etc.): Revenue bonds are municipal bonds backed by revenue from a specific project or revenue stream - such as sales tax, utility taxes, or lease revenue from a new building.

Capital Leases: West Valley City uses capital leases to purchase equipment such as police laptops & radios, IT software & servers, and even emergency vehicles. Capital leases spreads the cost of these purchases over the life of the equipment & vehicles.

Notes Payable: A note payable is a promise to pay a specific amount of money at a future date(s). This is the form of financing used to secure the Embassy Suites hotel.
