TO THE CITIZENS
OF WEST VALLEY CITY

We are proud to present the West Valley City's Popular Annual Financial Report (PAFR) for the fiscal year ended June 30, 2024. This report gives readers a summary of the City's financial activities. The purpose of the PAFR is to report the City's financial information in a clear, concise manner giving all readers, both financial and non-financial, an understanding of where the revenue comes from and where dollars are being spent. Most importantly, it is essential that our citizens understand the key services that the City provides to make West Valley City a safer and more enjoyable place in which to work, live, and play.

The PAFR summarizes the financial activities of the City for our fiscal year which runs from July 1 to June 30. It is drawn from a more detailed report called the Annual Comprehensive Financial Report (ACFR). The ACFR includes financial statements that are prepared in accordance with Generally Accepted Accounting Principles (GAAP) and audited by Keddington & Christensen, P.C., an independent auditing firm. The 2024 ACFR has received an unmodified (clean) opinion. The numbers contained within the ACFR were acquired by applying the basis of accounting principles as prescribed by the Governmental Accounting Standards Board (GASB).

Although the numbers used in the PAFR come from an audited source, we have presented them in a condensed, easy to understand, non-GAAP format. GAAP reports deal with the presentation of segregated funds as well as full disclosure of all material financial and non-financial events in notes to the financial statements, while non-GAAP reports do not contain such notes. Citizens who wish to review audited GAAP basis financial statements can refer to the West Valley City's ACFR, which is available from the Finance Department or on the City's website at wvc-ut.gov.

As a municipality, we want to continue to promote awareness, accountability, and transparency of the City's financial information. We anticipate that after reading the PAFR, community members will be reassured that public dollars are being used to build a better, safer, and stronger West Valley City. With the help of all departments, the City, in 2024 has accomplished many goals. All these positive achievements have helped to increase growth and success in our City. We look forward to the future and growth of the City.

We are honored to serve the citizens of West Valley City and hope you enjoy reviewing the 2024 PAFR. We welcome any input, questions, and comments you may have regarding this report. You may contact the Finance Department at 801-963-3238.

STATEMENT OF ACTIVITIES

Governmental revenues minus transfers decreased from the previous year, by $14,475,021 or 7.8%. The overall decrease was due to a very large decrease in Capital Grants and Contributions. That revenue decreased by $19,002,131, or 93.8% as fewer development projects were completed during FY24. Other revenues increased, notably $1,913,781 in investment earnings, and $2,443,525 in charges for services. Charges for services increased as some rate increases took effect, and investment earnings benefitted from high interest rates. Other revenues had relatively minor increases or decreases.

Governmental activities expenses increased by $2,983,035, or 1.9%. The City worked hard this year to counteract inflationary effects and the small size of this increase shows this management of funds. General Government expenses increased by $3,013,539. Public Safety expenses increased by $6,383,506. Highway and public improvements expenses decreased by $8,046,238. Debt costs decreased by $2,880,354, and community development expenses increased by $4,957,506. Other governmental activities showed minor increases or decreases attributable to normal variances in operating expenses.

In business-type activities, overall revenues showed an increase of $1,719,014, or 8.8%. The Housing Authority saw the largest increase to revenue, as the Federal Government awarded an additional $934,710. The Golf Courses saw an additional $612,909 of revenue. Overall expenses increased by $2,241,548, or 13.0%. Expenses in the City's storm water utility increased by $643,193. Golf Courses had an additional $621,997 of expense. The Housing Authority continued to see the effects of rent increases and had an additional $594,501 of expense. The City's other business-type activities are relatively stable in generating revenues and expenses.

WEST VALLEY CITY
DEBT SUMMARY

General Obligation Bonds: A General Obligation bond is a municipal bond backed by the credit and taxing power of the city, rather than revenue from a specific project. No assets are pledged as collateral for General Obligation bonds. West Valley City has not used General Obligation bonds as a source of funding.

Revenue Bonds (Lease Revenue, Sales Tax Revenue, Etc.): Revenue bonds are municipal bonds backed by revenue from a specific project or revenue stream - such as sales tax, utility taxes, or lease revenue from a new building.

WEST VALLEY CITY
SIGNIFICANT EVENTS THIS YEAR

West Valley City Mayor Karen Lang and City Manager Ifo Pili, along with other WVC staff, had the opportunity to host the International Olympic Committee's Future Host Commission (FHC) as well as key members of the Utah Olympic Bid Committee. WVC gave a tour of the Maverik Center to the FHC and then followed up with a lunch at a local restaurant.

This tour was for Utah's bid to host the 2034 Winter Olympic Games with WVC and the Maverik Center being the primary hockey venue. This would be the second time that WVC participated in the Olympic Games as our Maverik Center was the primary venue for the men's and women's hockey for the 2002 Olympic and Paralympic Games, including all of the respective medal games.

In 2024, after 26 years of service to West Valley City, City Manager Wayne Pyle retired. He leaves behind a legacy of opportunity, sustainability, and growth. Succeeding him, the West Valley City Council hired Ifo Pili, who began his work as City Manager in April. Mr. Pili looks forward to leading the City in to the future.

In September 2023, City Officials opened the new Bike Park at Centennial Park. These improvements add to the diversity of recreational opportunites available for residents in West Valley City.

WVC continues to be a partner of the University of Utah Opportunity Scholars program. The goal of the Opportunity Scholars program is to support and enhance the educational experience of first-generation business students as they progress toward graduation.
