## Garbage Collection Fee Increase

As of July 1st, West Valley City residents will see a monthly increase of \$1.20 for basic garbage collection (one garbage can, one recycle can and monthly bulky waste collection). The monthly charge for additional garbage cans will also increase to \$9.00, up from \$6.45; as an incentive to reduce waste, additional recycling cans will only be \$3 a month, compared to the current \$6.45 charge.

**New fees are effective July 1, 2014 and will be reflected on your July statement arriving in August.**

In addition to curbside garbage, recycling and bulky waste collection, West Valley City also offers residents additional sanitation services, including neighborhood dumpster collection, glass recycling at two locations (Public Works offices located at 2805 South 3600 West and Fire Station 71 located at 4160 South 6400 West) and electronic waste recycling (electronics are accepted at the Public Works building Monday through Thursday, 7 am - 5 pm).

For more information about your garbage and recycling services, call 801-955-3720 or visit [www.wvc-ut.gov/sanitation](http://www.wvc-ut.gov/sanitation).
