

NOTICE

MOBILE HOMES DAMAGED DUE TO MARCH 18, 2020, EARTHQUAKE

Has your mobile home been closed or declared uninhabitable?

West Valley City in partnership with Salt Lake County and Salt Lake Valley Habitat for Humanity is offering Emergency Federal Grants to make your home safe and livable and bring it up to current building code.

A licensed contractor is required to perform all repairs in accordance with State law and must obtain a free building permit prior to performing any work. All work must be inspected by a West Valley City Building Official prior to reconnection of utilities.
