

Kidz Kamp Covid-19 Re-Opening

This is a Learning experience for all of us, please note that things will change. No one can guarantee the health of your child(ren). That being said, these are the new steps that Kidz Kamp is taking to keep all of our child(ren) and staff safe and healthy.

1. General:

- a. All Kidz Kamp staff will wear a mask.
- b. The children that attend Kidz Kamp are not required to wear a mask at this time.
 - i. If the staff see any of the children sharing or swapping masks, the staff will take the masks in question put them into separate zip-lock bags and give them back to the child's guardian at the end of the day.
- c. The staff have the appropriate sanitizer to disinfect all areas, and surfaces.
 - i. Hand Sanitizer and Hand washing will be used after each activity.
 - ii. Games that require things to be touched will be sanitized after each use, including washing hands.
- d. Staff will encourage the children to keep an arm's length away from each other.
- e. Groups will consist of 13-14 kids and one staff.
 - i. We have a "Rover" staff who is not assigned to a group, who helps the three groups as needed. As well as escorts children for pick up and drop off.
- f. All Activities will be done in separate spaces. (Four solid walls)
 - i. Edutainment and the Rockwall are closed.
 - ii. Only one group will be allowed in a space at a time, and any toys played with will be sanitized after each use.

2. Check In and Out Times:

- a. In order to keep everyone healthy and safe for the time being you will only be allowed to check in or out your child(ren) at specific times. This is so we can maintain the health and well-being of everyone and check in/out in a safe and timely manner. (If alternative time is needed arrangements must be made with Clayton)
- b. There will be a table set up next to the stairs that lead up to the community rooms, this is where you will check in and out.
- c. The children will be split into three groups.
 - i. Each group will go to one of the community rooms.
- d. Check In will be between 7AM and 9AM.
- e. Check Out will be between 4PM and 6PM.
- f. If you need to pick up or drop off at a different time, please contact Clayton Preston to make arrangements. (801)955-4017 or Clayton.Preston@wvc-ut.gov

3. Check In:

- a. Check in will be from 7AM – 9AM.
- b. At check in each family dropping off any child(ren) will be asked if they or anyone in their household have had any symptoms of Covid-19.
- c. Each child will have their temperature checked with a touchless thermometer.
 - i. Any child with a temperature above 100.4 will not be allowed into Kidz Kamp for the succeeding fourteen days.
- d. A log will be kept of the answers given and the temperature of the child(ren).
- e. The Kidz Kamp staff will write down the time and name of the person dropping the child(ren) off the children and who will pick up on the sign in sheet.

4. Lunch, and Snack Time:

- a. At lunch time and snack time, each child will have their temperature taken again with a touchless thermometer.
 - i. Both the lunch time and snack time temperatures will be added to the log for that child for that day.
- b. We will have the children sit as far away from each other as possible when eating.
- c. All hands will be washed before and after eating.
- d. Each group will eat in a separate location.

5. Check Out:

- a. Check Out will be from 4PM – 6PM.
- b. To check your child(ren) out you will need to show your identification at the table next to the stairs.
- c. Once your identification has been verified the Kamp staff will bring your child(ren) down to the table.
- d. The Kamp staff will write down the time and name of the person checking the child out on the sign in sheet.

6. Additional:

- a. We will be checking each child's temperature three times per day.
 - i. Once at check in, once at lunch time, and once at snack time.
- b. Any child with a temperature above 100.4 will not be allowed into Kidz Kamp for the succeeding fourteen days.
- c. Any confirmed cases of Covid-19 at the West Valley City Family Fitness Center will result in the West Valley City Family Fitness Center shutting down until properly cleaned and sanitized and then we receive authorization to reopen.
- d. We are following the State mandated guidelines.

i. Things that apply to us right now as we are in the Orange phase (Moderate Risk).

Day Care **Moderate Risk**

Enhanced cleaning and distancing protocols. No symptomatic children

- Enhanced cleaning and disinfecting
- Encourage children to be 6 feet apart as much as possible
- Groups must be restricted to groups of 20 unless a wall can physically separate each group
- Limit mixing the groups of children (keep in separate rooms, allow on the playground at different times)
- Curbside drop off and pick up
- All individuals must wash hands with soap and running water upon arrival
- Don't use toys that can't be washed and disinfected
- Children and staff should stay home if they're sick
- Children and staff get their temperature checked at the facility
- If there is a confirmed case, facility must be closed and alert local health department
- All high-touch surfaces should be cleaned and disinfected after each use (e.g., toys, keyboards, desks, remote controls)

Gyms & Fitness Centers **Moderate Risk**

Recommended closure of fitness centers and gyms; if open, fitness centers and gyms should follow strict distancing and cleaning guidance

- Employees must go through symptom checking before every shift, including temperature. Log must be kept and available for inspection by health department
- Employees must wear face coverings; patrons encouraged to wear face coverings whenever possible
- Limit the number of patrons in the facility at one time
- 1 person per 100 square feet
- Space or close off equipment so patrons maintain 10 feet⁹ of distance at all times
- No team or group activities
- Staff must disinfect all equipment after each use
- No sign-in sheets, touchpads, or touch surfaces required for entry
- High-risk individuals discouraged from using facilities at this time
- Pools limited to 50% pool capacity, one swimmer per lane, congregating on the pool deck is not allowed

e. We are also following the Utah childcare licensing guidelines for Covid 19 Childcare in addition to the regular Child Care licensing rules.

i. Things that apply to us right now during Covid 19 are highlighted in yellow.

Emergency Conditions of Operation

1. Providers must restrict groups of people to 20 or less. These groups include household members, children, and caregivers.
2. If their approved capacity is for more than 20 children, center providers can allow more than one group of people in the facility **only if** each group of 20 individuals or less is in a separate room with full, solid walls that are higher than 6 feet.
3. Providers must stay within their licensing approved capacity.
4. Providers must follow the current licensing single and mixed-age caregiver-to-child ratios and groups sizes for children younger than three years old.
5. For children three years old and older, center providers must ensure that each group of children has the appropriate caregiver-to-child ratio and that all group sizes are restricted to less than 20 children to allow for the appropriate number of caregivers.
6. The provider must not allow groups of more than 20 individuals to gather together ever for short times or special activities.
7. The provider must ensure that staff, children, household members, and visitors are screened for fever, cough, trouble breathing, sore throat, sudden change in taste or smell, and muscle aches and pains at the beginning of the day and upon arrival, and not allow any symptomatic individuals to enter the facility. Anyone with any of these symptoms should be sent home and tested for COVID-19.
8. The provider must ensure that anyone coming into the facility wash their hands with soap and running water or alcohol-based hand sanitizer before touching any facility surface.
9. The provider must restrict off-site activities to places or environments where social distance and proper cleaning practices can be controlled.
10. If there is a confirmed case of COVID-19 at the facility, the provider must close the facility and consult with their local health department on next steps and when to re-open.
11. The provider must ensure that enrolled children are met at the entrance and that individuals dropping off or picking up the children do not enter the facility, unless necessary.
12. The provider must ensure that surfaces, items, and areas that are used and touched often are cleaned and sanitized at least daily and before a new group uses the room.

7. ePACT

- a. Kidz Kamp is now utilizing a program called ePACT to collect digital safety sheets, and other important health information.
- b. Guardians will be able to update information on their child(ren)'s record at any time through the ePACT app or desktop version.
- c. Every family will need to sign up with ePACT.
 - i. Guardians will be sent an email with an invitation to join the WVC Family Fitness Center Kidz Kamp organization on ePACT.
