RE: January 1, 2023, Through June 30, 2023, Recycle Report

ACE Recycling & Disposal collected 2,303.54 tons of recycled material from West Valley City from January 1, 2023, through June 30, 2023. This material was hauled to the following two recycle facilities:

- 1) 1,510.44 tons hauled to Rocky Mountain Recycle Facility.
- 2) 793.10 tons hauled to ACE Intermountain Recycle Center.

Of the 2,303.53 tons that were delivered to these recycle facilities, Rocky Mountain Recycle Facility says 32.5% of the material was trash.

ACE Recycling & Disposal delivered 100% of the recycle material collected from each West Valley resident to a recycle facility.

Sincerely,

Dawn Beagley
