

WHO WE ARE

The purpose of the West Valley City Clean & Beautiful Committee is to promote the public interest in the general improvement of the appearance of West Valley City; to initiate, plan, direct, and coordinate pride and general beautification and improvement of the physical quality of life in West Valley City.

The main responsibility and expectation of members of the Clean & Beautiful Committee is to attend the monthly planning meetings. Meetings for the committee are hosted on the 4th Wednesday of each month at West Valley City Hall from 5:30-6:30 pm.

The committee is an action oriented group that also has annual projects around the City year-round, including:

- Annual Summer Yard Awards Program
- Participation at West Fest
- Service Projects
- Street Banners on 3500 South
- Holiday Decorations at City Hall

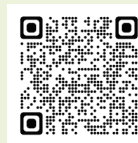

More information about the Clean & Beautiful Committee is available online at www.wvc-ut.gov/CB

Summer Yard Awards

The Clean and Beautiful Yard Awards program aims to highlight and acknowledge property owners in the community who have made efforts to maintain a well-kept and attractive yard.

The yard awards are hosted each summer, with 76 properties awarded in 19 different areas of the City. Award winners are provided a yard sign to post in their yard, along with a gift from the City as a thank you for their hard work.

Community members can nominate a beautiful yard to be reviewed by submitting a nomination form on the website.

Education

Members of the committee also work to educate the community on several different focus areas that impact the general appearance of the City.

The Clean & Beautiful Committee promotes and educates citizens on water-wise methods to ensure yards can look beautiful while reducing the negative impacts of heavy water use in our dry state.

The committee also has a focus on educating residents regarding littering and clean up in the community. The committee promotes the "Keep it Clean, WVC" campaign, aimed at reducing litter in the City and promoting environment-friendly habits to reduce the amount of trash in the City.

Spring Fest

Spring Fest is a community event hosted by the Clean & Beautiful Committee to support community members in preparing for Spring!

The event has been hosted in many locations throughout the City, and is currently hosted each April at the Utah Cultural Celebration Center. Partner organizations host tables at the event to educate attendees on yard care, gardening, health and wellness. The event also includes lots of family fun with children's crafts, music, food, and more!

Service Projects

As part of the committee's call to action, members participate in several service projects each year. As leaders in the community, Clean & Beautiful members aim to be examples of what it looks like to care for their community.

Previous projects have included clean up and improvement projects at the City's Community Preservation Building and at the planters on Decker Lake Boulevard. The committee has adopted the Butterfly Garden at Parkway Park and works to maintain the garden by weeding and planting new pollinator-friendly plants.

You can learn more about the service completed by the committee at

www.wvc-ut.gov/CB

City Pride

In conjunction with the Summer Yard Awards, the committee hosts the annual Holiday Awards program. This program recognizes 10 properties in the City that truly bring the joy of the holidays to our community. Property winners have included homeowners, businesses and organizations in the City.

Street Banners

The Clean & Beautiful Committee promotes pride in the City through funding and designing the street banners placed along 3500 South.

Street banners are one of many ways that can enhance and beautify a City Street. They can also create a sense of place and pride for residents in the community.

Get Involved

One of the greatest ways to ensure that your voice is heard and addressed by City government is to be actively engaged and become part of the process. West Valley City encourages and invites its residents to engage and join one of the volunteer committees and boards.

Fill out an interest form online to learn more about how to join the Clean & Beautiful Committee.
