# How to Report Graffiti

4522 West 3500 South  
West Valley City, Utah  
(801) 963-3467

## Help Us Take a Stand Against Graffiti!

West Valley City has taken a stand against graffiti! The city's full-time Graffiti Specialist removes graffiti from public properties throughout the city and works with residents to provide resources for graffiti removal from private property (due to liability and private property issues, the property owner is responsible for the removal of graffiti). West Valley City code requires graffiti on private property to be removed within 24 hours (or as soon as possible). Quick action helps to deter taggers from tagging it again. The longer graffiti is up, the more likely taggers will keep vandalizing the site.

Many resources are available to residents wishing to remove graffiti from their property. Paint is available in a limited variety of colors to property owners. Free graffiti removal kits are also available to all WVC residents. The Graffiti Safewipes Kit includes three sets of graffiti removal wipes and a pair of gloves in a convenient package for residents to remove graffiti on the go.

## Options for Reporting Graffiti

- Call the Graffiti Hotline at 801-963-3467
- Send an SMS text message to 801-509-2702
- Send an email to [graffiti@wvc-ut.gov](mailto:graffiti@wvc-ut.gov)
- Report using the online code violations map at [www.wvc-ut.gov/codemap](http://www.wvc-ut.gov/codemap)
- File an online police report at [www.wvcpd.com](http://www.wvcpd.com)

Please note: The graffiti hotline is a messaging service only. Calls, texts and emails will be returned as soon as possible.
