The Utah Cultural Celebration Center, owned and operated by West Valley City, is designed to strengthen a sense of unity among the people of the Wasatch Front by highlighting cultural wealth and creativity and offering a forum to celebrate our residents' talents in music, dance, performance and visual arts. The center provides a place where people can come together to learn about art, the diversity of people, and to celebrate the culture of the local communities through educational outreach, our own special events, and art exhibitions. MOST of our sponsored events are FREE and open to all who wish to come join the celebration!
