WEST VALLEY CITY
PUBLIC WORKS DEPARTMENT
STORM WATER MANAGEMENT PLAN

Public notice is hereby given that West Valley City is making its 2026-2031 Storm Water Management Plan available to the public for review and public input. A physical copy of the plan is available for review during normal business hours at the West Valley City Engineering Division offices located at 3600 S Constitution Blvd, Suite 250, West Valley City, Utah, 84119. Or you may view the plan online at:

https://www.wvc-ut.gov/government/department_list/public_works/storm_water_management/index.php

Written comments concerning the SWMP can be sent to an email address available on the same website for the duration of the permit term, however, the comment period for implementation into the initial SWMP closes at midnight on December 15, 2026.

A public hearing is scheduled to be held on January 26, 2027, at 6:30 pm at the West Valley City Council meeting at 3600 S Constitution Blvd, West Valley City, UT 84119.

Dated November 4, 2026.

Nichole Camac, MMC
City Recorder
